

## First SWIFT Technical Meeting

Tuesday, 25 March 2008

During 12-14 March 2008, SWIFT project had its first technical meeting, which was hosted by the University of Murcia. This meeting served as the kick-off meeting for WP3 and WP4. Also, it was used to define the work on the scenarios (WP5) and for a first design and proposal for the SWIFT architecture (WP2). The meeting was very productive with intensive discussions. The agreements reached will allow the requirements of the different components to be detailed, and enable a first picture of the SWIFT approach in the next months. Next meeting will be hosted by the University of Stuttgart in Stuttgart, and will be held from 5 - 7 May 2008.
