

## LA Identity Assurance SIG Meeting

Monday, 09 August 2004

The Liberty Alliance Identity Assurance Special Interest Group (IASIG) kick-off meeting will be held in Washington D.C., USA, on 30 January 2008. More information is available at the Liberty Alliance Web site.

The IASIG focuses on the the Trust Framework of the EAP (Electronic Authentication Partnership), the Credential Assessment Framework of the US E-Authentication Initiative and other industry contributions with the aim to achieve a standard operational framework for managing trusted credentials across identity federations.
